

Best of both worlds, this is **function with emotion**.

"Today I'd like light grey, tomorrow I might like green." Well now you can make it happen – it's two cases in one, because the flip & reverse allows you to choose the colour that suits. Multiple viewing angles and a sexy, embossed, textured finish sets this piece apart from anything out there. Our geeks certainly were when they created this piece of magic. It's function with emotion to the max.

Oh, and it flips & reverses with iPad™ mini, Samsung Galaxy™, Google Nexus™, Archos™ 7", Kindle Fire(th) and the Blackberry™ 7". Perfect.

Key features

Flip & reverse
 Elastic closure
 Soft touch lining

Available

Green/light grey
