

Calling all polka dots lovers.  
 Let's **function with emotion.**

"Today I'd like light purple polka dots, tomorrow I might like purple polka dots." Well now you can make it happen – it's two cases in one, because the flip & reverse allows you to choose the colour that suits. Multiple viewing angles and a sexy, embossed, textured finish sets this piece apart from anything out there. Our geeks certainly were when they created this piece of magic. It's function with emotion to the max.

Oh, and it flips & reverses with iPad™ mini, Samsung Galaxy™, Google Nexus™, Archos™ 7", Kindle Fire(th) and the Blackberry™ 7". Perfect.

**Universal Flip & Reverse folio**  
**7"**
